Steps for Medium Certification

Mediumship is a gift from the Creator. TNSA believes that every individual possesses this gift and ability. To aid in the development of mediumship skills, TNSA has defined definite steps and procedures that must be followed by anyone who wishes to become a TNSA certified Medium.

- 1.) The applicant must be a TNSA member or TNSA Charter Church member in good standing.
- 2.) A TNSA Board approved educational course or workshop in Mediumship must be completed. Currently, the TNSA Introduction to Meditation and Mediumship, and the Morris Pratt Mediumship Course are acceptable. Applicants with other mediumship course credentials and/or certifications may seek board approval in fulfilling this requirement.
- 3.) The applicant for medium certification must give a full reading to either the TNSA President, Vice-President, or TNSA chartered church Pastor who will testify by writing as to their demonstrated abilities.
- 4.) As per Article III, Sec. 4 of TNSA's By-laws: "An application for Medium Certificate must furnish three (3) written recommendations relative to character and ability from responsible persons of a religious organization, or organizations, the applicant has served.
- 5.) The applicant will have attended regularly scheduled development classes or circles for a minimum of six (6) months, and will provide a written letter from the leader of said classes or circles attesting to the same.
- 6.) After all steps have been completed, the applicant must submit the following to the TNSA Board of Directors or TNSA chartered church board of directors.
 - a.) Completed application form.
 - b.) The first year's annual fee.
 - c.) Copy of the Mediumship course certificate of completion.
 - d.) Written letter from the leader of development classes or circles that the applicant has regularly attended.

- e.) Three (3) written recommendations relative to character and ability.
 - f.) Written statement from either the TNSA President, Vice-President, or charter TNSA church Pastor indicating a successful reading.
- 7.) Once approved by the appropriate board or committee, the applicant will receive a completed Certified Medium card. To renew the card, the appropriate annual fee must be submitted.
- 8.) Applicants from TNSA chartered Spiritualist Churches and Missions will have copies of their materials and approved applications submitted to the TNSA recording Secretary.
